Off-Grid Solar Solutions: Medium Package?

We use only the highest quality products to ensure that you have power when you need it the most.

Our turn-key system paired with our system training program offer our clients the best experience available.

The primary components of your system include:

- 30 x 265W Canadian Solar Modules
- Surette Solar Battery Bank (48V)
- Outback Charge Controllers
- Magnum Pure Sine Wave Inverters

Which will provide you with:

- 8.8 kW of available power
- 73 Amps at 120VAC
- 41 kWh of battery capacity (30%)

TURN-KEY
FOR ONLY
\$34,200!
