## Grid-Tie Solar Solutions

We use only the highest quality products to ensure that you have power when you need it the most.

Our turn-key system paired with our system training program offer our clients the best experience available.

The primary components of this system include:

- 4 x 265W Canadian Solar Modules
- APS Micro Inverters
- Full Installation
- Permits and ALL Paperwork

Which will provide you with:

- 1.06 kW of available power
- 2.50 Amps at 208VAC
- Year Round Battery Free Power Production
- Customized Solutions are Always Provided

**TURN-KEY**  
**STARTING**  
**AT \$8,000!**
